ONLINE VOTER REGISTRATION

Currently you can register to vote in different ways and at different locations. But did you know that Georgia citizens can register to vote online? From the Secretary of State website, www.sos.ga.gov, a Georgia citizen with a valid driver's license issued by the GA Department of Driver Services or identification card with signature on file with DDS can navigate to the Elections page and then click on the Register to Vote box.

Paperless voter registration is more accurate and produces fewer errors and applicants can register anytime and anywhere!

So... what are you waiting for?
