Additional Comments about student poll worker (include any additional information you would like to share about your student worker): Dominique or "DC" as he liked to be called, did a great job assisting the community and the voters. As manager of the precinct I would recommend that "DC" assist again at any election. He is a part of our future as voter and as a poll worker.

Program Comments (feedback regarding UWG student poll worker program): I would like to thank the University of West Georgia for allowing such knowledgeable group of young people to assist with such a great election.
